TO: ALL COUNTY WELFARE DIRECTORS

ALL QUALITY CONTROL COORDINATORS

SUBJECT: AMENDMENTS TO THE EXPANDED (EXPEDITED SERVICE (ES))
DISASTER EVACUEE POLICY

REFERENCES: ALL COUNTY INFORMATIONAL NOTICE (ACIN) I-53-05,
SEPTEMBER 7, 2005

The purpose of this Notice is to inform counties about changes made by the Food and Nutrition Service (FNS) to food stamp policy rules introduced in ACIN I-53-05 regarding the Expanded (ES) Disaster Evacuee Policy. The length of time for accepting applications for "Expanded (ES)" policy is extended, new information is included for the relaxed procedures for key-entered Electronic Benefit Transfer (EBT) transactions, a new phone number for Louisiana and Mississippi is provided and there is a reminder that regular food stamp rules start for evacuee households beginning January 2006. Descriptions of the changes are as follows:

- Applications for "Expanded (ES)" food stamp benefits shall be accepted through **October 31, 2005**. This date was extended from October 15, 2005.
- FNS has extended the relaxed procedures for key-entered EBT transactions at retailers through **September 30, 2005**. Though the EBT card is normally required to be present in order to conduct a key-entered transaction -- where the card number and PIN are manually entered -- FNS is relaxing that requirement for **all displaced residents of Louisiana (card numbers beginning with 504476), Mississippi (card numbers beginning with 507718), and Alabama (card numbers beginning with 5077680)**. These recipients do not need to have their card present in order to conduct a key-entered transaction for this period only.
- The number for households to request an EBT card replacement in Louisiana has changed to 1-888-524-3578. A new phone number has been provided for Mississippi evacuees to call if they do not know their EBT card number. The new number connects to the State Agency and is 1-866-449-9488.

- Beginning with January 2006 food stamp issuances, participating evacuee households will have to satisfy the verification requirements which were postponed per ACIN I-53-05; evacuee household members subject to the work and ABAWD requirements must comply with work rules; and the Quality Control (QC) hold harmless period for certifications made under the "Expanded (ES)" policy will end on December 31, 2005.
